

Model: CL 600

Series: CLASSICS

The CL 600 modulates the design philosophy of the Classics range into a new tonality. The linearity of the overall concept including the side elements reaching all the way to the ground is opened out by a painstakingly worked out in the back cushion. This gives the impression that the back cushion and armrest cushions merge into one another.

With the CL 600 beauty is not a question of perspective. It creates the impression of well-adjusted artistic balance both from the front and the sides.
